

121 La Ribera

Recommended by Marwa Preston

"This is not a pretty shop, but what they sell is delicious and you can find some gems. Many bars and restaurants buy from here, so the way they sell is geared to buying in bulk, though you can ask for any amount. You'll also see old ladies lining up to buy the salt cod (*bacalao*). Head to the back of the store for some great cheeses and cured meats. Their *cecina* (cured beef) is a staple in our home. And don't leave without buying some mixed olives!" —MP
